

1. Name	CHIRON FZ 18 W Vertical Machining Center
Machine No.	170098
Manufacturer	CHIRON
Model / Type	FZ 18 W
Year of manufacture	1990
Machine available from	immediately
Machine quality	good, under power
Machine location	Germany / Baden-Württemberg

Technical details

x-travel	730 mm
y-travel	550 mm
z-travel	630 mm
control	SIEMENS Sinumerik 810
table surface area l x w	2 x 850x600 mm
taper	SK 40
toolchanger positions	12
power capacity - spindle	14 kW
turning speed range	20-10000 rpm
rapid traverse	20 m/min
total power requirement	30 kW
weight approx.	5000 kg
dimensions approx.	4200x4600x3400 mm

Description

chip remover, with 4. axis nc-table, coolant attachment, paperband filter
